**MAKING A DIFFERENCE TOGETHER**

Blessings Medical Missions in collaboration with CharisMed Associates, Methodist University Physical therapy Program and Hope of Thailand Churches Associations, joined together to bring the gospel across the beautiful land of Thailand. As a team, we conducted 10 evangelistic medical clinics in two regions of Thailand, which included the southern and northeastern parts. Medical clinics began May 25<sup>th</sup> through June 5<sup>th</sup>. With the blessings of our Lord, 1276 people received medical services, and 441 received salvation. All honor and glory is to our King, Jesus Christ.
